

Women's Circle

אִשָּׁה

נְשִׁים

Women's Circle starting in TLV, led by **Dawn Cherie Ezrahi**, Thursday evenings, 7-10pm, for 10 sessions.

The purpose of our time together is to open up to the possibility of deep feminine sisterhood, to create a group of women that can be supportive of our own process, to open up our bodies to become more alive as women, and embodied vessels for light, spirit, honesty and juiciness to flow through. Sessions will include deep sharing, movement, chanting, breathing techniques and work around sexuality as some of the main focuses. Serious commitment to grow and be present for sessions is needed.

For registration please call Dawn at 052-5213137, or write to sisterdawn3@aol.com.
